

Orchestra Sectionals Schedule - REVISED

Below is a revised installment of orchestra sectionals. Due to this year's increased enrollment of the middle school orchestra (a fantastic problem to have!) it has become necessary to increase the number of sectional groups, resulting in sectionals meeting on a larger rotation schedule.

Orchestra sectionals will meet on Mondays and students will receive instruction in sectional groups four times in each six week rotation. In addition to our large group rehearsals, sectionals provide a valuable opportunity for students to receive instruction in a smaller group of like-instruments.

Students will miss the same class no more than twice per quarter and the schedule has been planned so students do not miss consecutive periods of language arts. They have been instructed that they are responsible for all work missed.

If a sectional falls on a test or lab day, students are to remain in class and to arrange for a make-up sectional assignment.

Thank you for your cooperation with this valuable aspect of the music curriculum.

Thank You!
Mrs. Rose
